RODEO DAYS HERE

LOOK MA, NO RIDER!—Eight seconds isn't long, unless you're aboard a determined, wily bronc who has no intention of letting you stay there. Bareback riding and bronc busting such as this will be re-enacted Saturday and Sunday at the 17th annual Lemon Grove Rodeo-Fiesta-Barbecue.

Lemon Grove Junior Chamber of Com-

merce is supplying the energy this year to make the event a success. Senior Chamber is supplying the money, know-how and manpower to assist. St. John of the Cross Church is arranging the barbecue and fiesta. An hour long parade, with Miss Lemon Grove (Sharon Mueller) as queen and Bob Turnbull as parade marshal is also programmed.

Free Square Dance Scheduled Friday Night

A free square dance will be held in the parking lot of Mayfair Market Friday night from 8 to 10:30 p.m. with four callers from top Heartland square dance clubs working the calls, Lemon Grove Boosters said.

Prizes will be given to dancers

by way of door prize drawings and the prizes too, are by courtesy of the Boosters Club.

Boosters is the merchants division of the Chamber of Commerce and this is the first of several events planned for the downtown area.

WOMAN'S CLUB ON AUTO RAFFLE PROJECT

Members of the Lemon Grove Woman's Club are manning the Free Ford-Swimming Pool Fund project this week.

Mrs. Robert Bresnahan, chairman of the Build a Better Community Committee has arranged for the auto to be placed in the Community Square Dance area Friday night; and at the rodeo Saturday and Sunday.

The car's winner will be named Sunday.

Little League members will man soft drink stands and a small charge will be made for bottled drinks. Proceeds from this project will be used for Little League purposes.

H & H Tunetwisters will supply the music and Clarence Montgomery is in charge of the caller corps.

Mayfair Market requests that dancers park their autos outside the parking area so that market users may use the area not set aside for dancing.

Several stars scheduled to appear at the rodeo Saturday and Sunday will be among the guests Friday evening. Some of the trophies to be distributed among Saturday's parade entries will be on display.

'Presley Fagan' Operates In Area

The "City of El Cajon" nestling in "Box Valley," south of Santee, has a burglar with musical aspirations of a latter day Elvis Presley, according to a report made to police.

Jerry G. Cromwell, 260 North 2nd Street, told the "law" that some unauthorized person had entered his residence and snatched a guitar and amplifier, also a hat and a Sunday shirt. Albert Hayes, his room-mate, reported the loss of a saddle, supposedly stolen by the same miscreant.

It is presumed that the burgling gent has a horse. He may be getting ready for the big Rodeo and parade on July 13-14 to which all citizens of El Cajon are cordially invited.

—D.H.

Approximately twenty-five thousand persons are expected to line the streets of this community come Saturday at 1 p.m. when the first annual Lemon Grove Parade starts its mile long march along Broadway to the Rodeo Grounds at St. John of the Cross Church.

The parade, with its 125 entries and ten divisions, will turn off Broadway to signal the start of the 17th annual two-day Lemon Grove Rodeo-Fiesta-Barbecue. The rodeo will start at 2 p.m.

Theme of this year's parade will be "Western Spirit." Bob Turnbull, REVIEW columnist-NBC tv actor, will be grand marshal. Turnbull is visiting home after eight months of work in Hollywood.

Queen of the Rodeo is Sharon Mueller, Miss Lemon Grove 1957. Parade Marshal will be Frank J. Bettencourt, nationally known horseman who lives in Lemon Grove. Other prominent equestrians with their dazzling silver trappings, who will take part in the parade are: Grove C. Mosley, Rancho Santa Fe; Mr. and Mrs. Earl Allen, Lakeside; Mr. and Mrs. Al Garcia, Vista; Peter Martinez, San Diego; Mr. and Mrs. Ralph Principe, Camarillo; Mr. and Mrs. Walker C. Church, El Cajon, and others.

The San Diego City County Marching Band, a co-operative effort between Musician's Local 325 and the city-county band commission will supply line-of-march music. This music is provided from trust funds of the recording industry, Ozzie's Band and Coady's Orchestra will also play.

Twirling Groups
Three twirling groups have been entered. They are the Rhythmettes of San Diego, the Twirlettes of Lomita Village and the Precisionettes of San Diego. The Scouts Lybian Guard Pyramid 32 of San Diego will supply a marching unit.

4 YEAR-OLD RIDER
Lisa Sieczkowski, 4 year old rider will head a unit from Action Ranch sponsored by Lemon Grove Rancho Market.

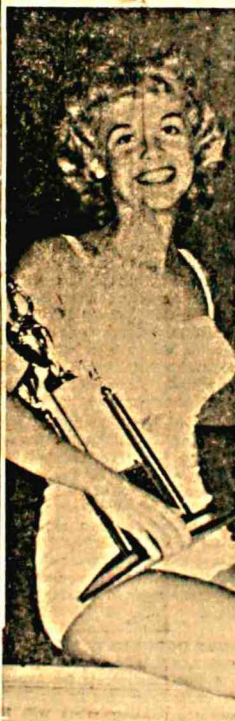

The little rider has attracted attention across the state for handling the big, white charger she rides bareback. In the Rancho Market unit will be six other animals ridden by youngsters ranging in age from 9 to 13 years.

OLD AUTOS
An 1880 Studebaker carriage, driven by Lt. and Mrs. B. N. Bloom of Spring Valley will make the mile long trip as will a 1911 model T Ford stagecoach driven by Howard M. Raish of San Diego. Flavor of early California spirit in the vicinity of Redding, French Gulch and Whiskeytown will be depicted with this vehicle.

RODEO
The rodeo will start each of its two day schedule at 2 p.m. and is under the auspices of the Cowboy's Association of America and all riders will compete for championship points.

Among the champs who will compete are Anson Thurman, 1956 Bull Riding Champion; Wes Babcock, 1954-55 and 56 Saddle Bronc Champ; Dick Slisson, 1949-1955 and 56 Bareback Bronc.

(Continued on Page 4)

Sharon Mueller, (Miss Lemon Grove) will be Queen of the Rodeo. Selected as Lemon Grove's fairest she will ride in the parade and preside over the rodeo.

TO NAME AUTO WINNER SUN.

Winner of the 1957 Ford will be announced Sunday night at 5 p.m. Frenchy Faucher, chairman of the Swimming Pool Association said.

All ticket sellers are requested to turn in stubs Friday night 7 to 9 p.m. at the Veterans of Foreign Wars Building, 2900 Imperial, Lemon Grove, so that all purchasers may compete.

Winner's name will be announced at the rodeo, the name will be posted at the office of the Lemon Grove Review, and the name will be published in this newspaper next week.

A last-chance hard hitting drive for distributing tickets will be started Saturday by ten Lemon Grove beauties attired in bathing suits and beach wear. They will assist the L.G. Woman's Club members who have charge of the event the last three days.

CHIEF—Reverend Pastor Monsignor John McDonough was dubbed "Chief White Mountain" in a colorful and symbolic ceremony marking the forthcoming two-day 17th annual Lemon Grove Rodeo-Fiesta-Barbecue to be held on the grounds of St. John of the Cross Church.

The new "chief" is surrounded by mem-

bers of Indian Scouts of America who made the safari to Lemon Grove to bestow the tribal honor on Msgr. Chief White Mountain. They are Medicine Man "Red Fox", tribe Moderator, "Lone Eagle", Indian Princess "Smiling Waters" and Chief-of-the-Tribe-Korak. All the "Indians" live in the San Diego area.

Lone Eagle, it was revealed, was once altar boy for Msgr. McDonough.

The Dimmer VIEW

By MAX GOODWIN

One of San Diego County's big business property developers was telling a sad story of the merchants of Anaheim, a community not unlike Lemon Grove, in that it had grown much faster than it was prepared to do.

The local business firms awoke one day to find, not one, but four super-shopping centers complete with super-parking areas being built around the perimeter of Anaheim's boundaries.

So what did the local merchants do? They established a parking district as though, for the first time, they realized there was a need for it.

If a question as to the need for parking exists here, a look at the parking jumble on Friday and Saturday should eliminate thought. Forming a parking district will cost money but it will be prohibitive. Moreover, the need only encompass the plan, not the execution. That part of the district which would profit from such a plan, would profit by way of taxes.

Costs may be the controlling factor in a parking district but service districts need not be costly.

It has amazed me that property owners along Broadway, and part of the center of the city, have not formed district service jobs that are needed as they are inexpensive. A district to supply police protection, to provide street sweeping, and to provide lighting could be formed at a cost that would hardly make itself felt on the annual tax bill. Few, if any tenants, would complain of being charged \$10 a month for these district supplied services and at this rate the land-

Grossmont Trustees Back Down On Architects

With feet in mouth and wires crossed, the Grossmont governing board Monday night adjourned the meeting on the selection of an architect for the up-coming \$3½ million building program until Wednesday night.

Upset came when Rexford Hall of Fifield and Wulff, designers of several San Diego schools, be acquired to work out replacement buildings and additions at Grossmont, Helix and El Cajon, and that Herluf Brydegaard, designer of the new, low cost Mt. Miguel High School, be retained for the \$2¼ million dollar Lakeside High School. Lester Freeman seconded the motion but Palmer Svalstad, Lemon Grove resident board member complained that the Fifield and Wulff firm had not been discussed previously and that he had no opportunity of investigating their designs. Members of the audience chimed in and some of the trustees exhibited high feelings. Superintendent (Continued on Page 10)

SV Man Charged With Felony Drunk Driving

Highway patrolmen arrested Edward Hansel Jeffers, 32, a service station manager who lives at 3622 Cordoba Drive, Spring Valley Friday night after he became involved in a two-car crash in which two persons were injured.

Patrolman John J. Patridge said an auto driven east on Campa road by Jeffers collided with a westbound auto driven by Clyde Raymond Gary, 29, of 2731 Bancroft St., Spring Valley, when Jeffers attempted to pass another auto without sufficient clearance.

Gary's wife, Norma, 29, and daughter, Judith, 2, were treated for minor injuries at Grossmont Community Hospital.

Jeffers was arrested on suspicion of felony drunken driving and booked in county jail. He was released Saturday on \$1,000 bail.

School Board OKs San Altos

Lemon Grove School Board Monday night put a tentative OK on plans for the new San Alto School for which \$160,000 federal funds have already been set aside. A bond issue election will be called October 15 to cover the remainder of the estimated \$300,000 the school will cost.

The board was also informed that negotiations had been completed on 6.8 acres belonging to the Morse family on Palm Street and that the property was in escrow at approximately \$7,000 an acre.

Emory Hunphries was made supervising custodian replacing John Milne, who resigned to enter contracting business.

The summer school now being conducted at San Miguel attracted 172 pupils and the board heard that the students were "happy students". A \$2 raise in pay for substitute teachers was approved and the new rate is \$19.

Men's Club To Hear Jake Dekema

The Lemon Grove Men's Club, after a two week's vacation, reconvenes Friday at Michael's at noon Friday to hear Jacob Dekema, district highway engineer for the state of California.

Dekema will use a film projector to show existing and planned freeways as they affect this area. He will discuss the work schedule on the unfinished ends of the Lemon Grove freeway. Also under discussion will come the Highway 80 project and its effect on the existing projects.

William Parker, manager of the Lemon Grove Branch of the Telephone Company will be program chairman.

LM WC Jr's Art Class Opened

For the fourth consecutive year the La Mesa Woman's Club Juniors launched their Summer Art Classes last week. The art classes are for children between the ages of 5 and 12 years and they have an excellent instructor—Walter G. Chapman. The classes will continue on through the summer meeting every Wednesday through August 7 from 1 p.m. to 3 p.m. in Room 13 at the Lemon Avenue Elementary School, La Mesa.

Fee for the entire series of classes is \$2.50 per child. The class is limited to 40 students, but there are still some openings.

Bids for the sale of \$15,000 1955 series "B" and \$53,000 1957 Series "A" bonds of the Rich-Mar Union School District were opened early in the meeting of the Board. Bank of America were successful bidders, slightly under 5 per cent.

Ramona Unified School District to the same banking institution. Max C. Mazzetti, representing Rincon Tribal Council, spoke at some length regarding a matter of allotment of lands in Rincon Reservation.

Several of the members of the Rincon-San Luiseno Band of Mission Indians of Southern California have been elected to make a final roll and for allotting the land to members of the band.

Mazzetti explained that under present legal conditions the allotment cannot be made to all members. The allotment gives a deed to the property, where an assignment cannot be transferred to heirs.

The Indians want to acquire about five acres from the County to fill out the reservation boundaries.

The aid of the Supervisors is requested to get the matter before the President and the Congress. This has been hanging fire for some years. The Board seemed to approve supporting the proposal.

Mazzetti is a young man, fine looking and well educated and seemingly well versed in affairs of Rincon Reservation. He states proudly that he is an Indian, lives in Rincon, is married. This reporter took him to be a lawyer, but learned later that he has had no legal training. Says he and Purl Willis are on opposite sides of the fence in these Indian matters.

Attorney Leo R. B. Hendrickson explained the proposed deed to City of La Mesa being considered for annexation thereto.

Letter from the Director of Public Works stating that Mrs. E.A.P. has expressed a desire to deed her property to the County of San Diego with life estate retained, in appreciation for the County's part in her receipt of her Old Age Security; and recommending that said property and improvements, appraised at \$5,500, be accepted on behalf of the County.

Permits
Letter from the Lemon Grove School District submitting a resolution of its governing board authorizing the dedication of an easement of right of way for public street and highway purposes over portions of Lots 8 and 9 of Lemon Grove Addition No. 1 in compliance with conditions of a Special Use Permit granted the District for Palm Avenue.

Letter from the Planning Department stating that the easement submitted does not comply with condition "c" of said Special Use Permit; and pointing out an error therein in description of the street corner radius of Lot 9.

Departmental Matters
Request of the Auditor and Controller for authorization to transfer various amounts totaling \$18,002.63 to the County Employee's Retirement Fund as earnings and contributions for May 1957.

Request of Frances Anna Hahn, County Librarian, for leave of absence with pay for two days.

ASSESSOR MAKES DEADLINE, RECORD FOR ASSESSMENT ROLLS

Assessor John McQuilken and his deputies "just barely made it" last week when the Assessment rolls for 1957-58 were turned over to the Auditor for tax computation.

The law requires that the rolls be turned over July 1 of each year, penalty for non-compliance, \$1,000 a day.

McQuilken turned over the

largest assessment roll in San Diego County history to the clerk of the Board of Supervisors.

The totaling of the roll is not yet complete, but it will top last year's roll of \$978,346,530, the largest so far in County history.

The 1956-57 roll includes \$859,828,660 assessed by the County and a public utility valuation of \$118,517,870 assessed by the state.

Work on setting the county's 1957-58 tax rate can begin when the assessment rolls total and the amount of the record County budget are determined. The Supervisors completed their budget study last week and ordered a budget resolution prepared. The amount of the total budget has not been determined at this time.

REV. R. G. BRYANT

Richard G. Bryant, Pioneer Missionary in Northern Illinois for the past nine years, became the City Missionary for Southern Baptist in San Diego County last month.

Reverend Bryant, who is highly recommended from the Illinois Baptists, is a native of Louisiana, and earned his B.A. degree at Pineville Louisiana, University. He received his Seminary training and earned his B.D. degree from Southern Baptist Seminary, Louisville, Kentucky in 1946.

He was the first pioneer Missionary for Southern Baptists in the North and East.

Since arriving in San Diego he has participated in the constituting of the 36th Southern Baptist Church in San Diego County, The Immanuel Baptist Church, Point Loma.

San Diego Southern Baptists, under the leadership of Reverend Bryant have their goal set for 12 new missions for the coming months and every church with a branch Sunday School.

Some sixty pastors and wives honored Mr. and Mrs. Bryant at a luncheon at Rose Hedge Manor Tuesday.

GROVE 4-H MEMBERS 'BRING HOME BACON'

Bacon, served alone or with eggs or other comestibles, is a popular dish these days in Lemon Grove. Yes, the younger members of the families that encourage membership in Lemon Grove 4-H Club brought home various trophies, or "bacon," from the Southern California Exposition and County Fair indicating their skill in 4-H work.

The boys (girls too) who selected animal-raising projects, were awarded money prizes in addition to purple, blue and red ribbons. And you can place a little bet that the ribbons will not be used to tie up flowing locks. Rather, they will be given a panel in the living room—parlor is an obsolete word nowadays—with gold lettering on each ribbon and snap shots of the entrant and entry.

Awards
The official list of prize winners from Lemon Grove awards in the electrical division, Patricia Knapp, 6997 San Miguel Ave. 2nd, for tool box. She made the entire box herself, did a fine job. Pat can fix a light, change a globe, make an extension cord. Says she doesn't want to have to nag her husband to get a burned-out globe changed.

Robert Michael Knapp, same address, was awarded 1st for an electric pencil, 1st for ornamental lamp, 3rd, tool box. Robert Michael is better known as Mike. He got another ribbon and a prize for his steer, which we will tell about later.

Richard L. Neises, 2348 Barry St., awarded 1st for electric tool box, 1st, quiz board; 1st demagnetizer; 3rd, ornamental lamp.

Lemon Grove 4-H Club was awarded 2nd for safety with 4-H work. The club did a lot of work on their booth.

In Home Economics—Clothing and Textile, Minnie K. Bryan, of 10280 Ramona Drive, Spring Valley, 2nd, white pillow cases.

Mrs. Marian Conrad, 7387 Broadway, Lemon Grove, 3rd, bedspread.

Margaret T. Grundman, 10636 Olvera Road, Spring Valley, was awarded 1st for bedspread, 3rd

for afghan.

Open divisions—Foods:
Peggy Carole Reimers, 8671 La Mar St., Spring Valley, got a red ribbon (2nd) for white chocolate icing.

Horticulture
Donald Haradon, 7185 San Miguel, Lemon Grove, got a red ribbon for boysenberries.

Auction Sale of Sheep: Purple Ribbon Awards:

David Blankenship, Spring Valley, 107 lbs. for \$31.46, to Safeway Store, San Diego.

Barbara Cooper, Lemon Grove, 100 lbs. for \$41.65, to Mayfair Markets.

Loraine Lukas, Lemon Grove, 89 lbs. for \$39.25, to Paul Lloyd Rho, Sante Fe.

Choice Heavyweight, Purple Ribbon.

Shiela Cosby, Lemon Grove, 110 lbs. for \$48.51 to Orval Hagstrom, Sante.

Shiela Cosby, Lemon Grove, 110 lbs. for \$37.73, to Fred Beckstein (Resale).

Lorna Walsh, Lemon Grove, 92 lbs. for \$6.35, to Lubach's Restaurant.

Michael Cosby, Lemon Grove, 91 lbs. for \$44.59 to Mayfair Markets.

Mike Jaquith, Lemon Grove, 91 lbs. for \$35.67 to Lemon Grove Kiwanis Club.

Lana Jaquith, Lemon Grove, 84 lbs. for \$32.93, to Lemon Grove Kiwanis Club.

Nancy Lukas, Lemon Grove, 105 lbs. for \$43.74, to Lemon Grove Kiwanis Club.

Hobby Show

The following Lemon Grovers receiving awards were:

Victoria M. Haselton (2); G. O. Jones (1); Lorraine Ann Lukas (1); Loretta McCloud (1); Edwina Paffenberger, Spring Valley (1); Lucile Ressa, Spring Valley (1); Kathleen Mae Zworski (1).

R. L. Carron, 9233 Kenwood Drive, Spring Valley, got a red ribbon for organically grown garlic.

Mrs. Helen Van Norman, 2553 Central, Spring Valley, was awarded a blue ribbon in feature exhibits for her paper on "Finance in the Home."

Sheep Showmanship

Shiela Cosby got a purple ribbon for her Hampshire ram lamb, also a 1st on her Southdown yearling ram.

Mike Cosby got a 1st and 2nd on his entries of Southdown ram lambs, and Shiela got a 3rd in the same class.

Lana Jaquith, 7377 Mt. Vernon, Lemon Grove, got ribbons for "choice" lambs, as did Lorna Walsh, 7848 Lincoln, Mike Jaquith, Lana's brother; Mike Cosby, and Shiela Cosby each got another for a "choice".

David Blankenship, 3304 Calavo Drive, Spring Valley, also got a "choice" ribbon.

Dennis Tristram, who is visiting in the East, arranged with Mike Knapp to care for his entry, and it was shown by Donna Rundell, and Dennis got a "choice" ribbon.

Donna Rundell intends to become a veterinarian. She is fond of animals, likes to work with them.

Mike Knapp's steer, was awarded a blue ribbon. The steer (called around the Knapp domicile, "Dick", after D.H.), weighed 830 lbs., brought 30¢ a pound at auction.

Mike is interested also in chickens, has some 4½ month old pullets that have started to lay. He gets six eggs a day.

The entry list showed more than 175 sheep and lambs entered, from various parts of the county, so don't get the idea that Lemon Grove is the only part of the county that gets lamb ribbons.

We are strong for the 4-H Clubs, feel that they are a grand institution and do so much to educate the youngsters in good citizenship. The care of an animal for a year means work, and the kids take entire care of their project, keep books on each lamb and write a report at the end of the season.

LETTERS TO THE EDITOR

Dear Editor:

Your column in the June 26th issue of the Spring Valley Bulletin has stirred me as it must have stirred you! We all speak off-handedly of "the higher cost of living"—and then feel inadequate to cope with the general term. Here in your article is something specific and about which I have felt a strong need of changing. My suggested alternative to destroying school books regularly and more frequently is this:

School books could be selected after careful study of the needs of each grade or class. This would be done by a central committee composed of professional educators and parents. Once the curricula have been decided the books would be purchased from either the state or private book stores by the parents of school children. Not only books but all school supplies would be the responsibility of the parents or guardians of school age children. This system would encourage the individual responsibility of students, create more interest in the average parent of the contents of the textbooks and reduce the ever-increasing operating costs of the school system. This letter, according to an article side by side of yours, is reported to be increased to 16%. A second hand book store where books no longer needed by students who are promoted would be a source of supply for younger students.

In the above manner people without school children would not be required to pay as high a tax as those with children. Contrarywise, it would add to the support of education all those people who live in rental property or trailers and who have school children. I have heard many retired people express the opinion that is shared by many of us—that they do not mind paying for

the high standards of education in our wonderful country. The paying of high costs—which could painlessly be removed is the objection.

As an illustration in dollars and cents... according to the present \$2.05 per \$100... say that a taxpayer had \$10,000 dollars assessed valuation. That would mean \$205 for school taxes part of which goes for the expenditures of books and supplies. If this amount (entire) could be used for teachers salaries, classrooms maintenance, bus service (even for summer schools) there might be no need for increases so regularly.

I am fortunate in having an old Stone's Arithmetic Reviewer (circa 1927) with which I have refreshed my three school aged children as well as myself. I know that books such as history, civics and some sciences are making yearly advances and these could be printed in supplementary form in smaller, cheaper editions rather than changing a whole book to add one chapter.

I hope this small voice of mine echoes in enough minds of interested taxpayers who will act in every opportunity to thoroughly re-examine the school text-book purchasing system.

Yours very truly,
Marjorie W. Mathewson

William "Bill" Golumbick of 10110 Ramona Drive, who recently won the "Mr. Pacific Coast" Contest, returned from Daytona Beach, Florida, June 26 after competing for "Mr. America."

Of a group of 25 contestants from all over the United States, the Spring Valley contestant, who represented the Pacific Coast, took fifth place.

Five awards were made. First place went to Ron Lacy of Lexington, Ky., second to Gene Bohety of Chicago, Ill., third place to Harry Johnson of Atlanta, Ga., fourth place to Tony Sansone of New York City, N. Y., and Bill Golumbick, fifth.

The contest for "Mr. Universe" will be held in London, England. The date has not been announced. Ron Lacy, winner of the "Mr. America" contest is eligible to compete.

The "Mr. America" contest of 1958 will be held in June at San Jose, California. Bill Golumbick said he will compete. Rules of the contest state that once a contestant has won first place he is not eligible to compete a second time.

Grove Youths Off

To Camp YMarston

Four Lemon Grove boys added their number to the current County Y period at YMCA Camp Marston, near Julian the largest attended summer period in the camp's thirty-seven year history. Additional facilities in the camp's "lower 40" primarily for Junior High boys and an enlarged staff made the increase possible, according to Wallace D. Dorman, president of the Red Feather County YMCA.

Lemon Grove boys at the camp are:

Carlton F. Black, Mark M. Haag, Dennis J. McMahon and Dudley M. Griffen.

Traffic Fines Take Big Bite From Area Folk Paychecks

By Dick Henderson

A change in arrangement of furniture in Homeland Justice Court provides more room in front of the "bar", with Judge Hussey's desk in the northwest corner, where the clerk's desk used to be and moving Delores to the southwest corner of the platform, closer to the door and whatever vagrant breeze comes along. This places the clerk on the Judge's right hand and the open space, with smaller tables on each side of the room, is an enlargement.

We didn't learn what disposition was made of the big table that formerly took up considerable space.

One lady whose son was on call, brought three small children, two boys and a girl, and these kids had a good time chasing each other from chair to chair while their ma arranged to pay whatever fine was levied on big brother. Baby sitters seem to be scarce around Lemon Grove.

The judge saves Mondays from 4:30 p.m. until he clears the calendar for traffic cases, minor infractions and any cases requiring adjudication.

Last Monday the court had an audience of 25 adults and offenders.

Some of the ladies accompanied their off-spring when their sons were called before the bar, stood silent while the charge was read.

"Are you guilty or not guilty?" Some of the youngsters were larger than their mothers, but they looked at mother before replying.

Mrs. Spears stood alongside her son, 19, and Mrs. May stood next to her 19-year-old. Both lads are man grown, plead guilty. After a conference between the quartette before the bar and Judge Hussey, the ladies left to do some shopping and the boys took seats at the side of the room and listened attentively. It developed at the end of the session that young Spears, when queried by His Honor, had a job in prospect at \$300 monthly, was in debt and had left home. Expected to stay with a friend in La Jolla 'till he caught up financially.

The May lad explained to the court that he was buying a Cadillac, paying \$54 monthly on a \$2,000 deal for the auto. His down payment was \$30 and his Ford. It cost him \$132 for gas to drive to San Diego from Lemon Grove. Said he had a job in E. expect \$50 a week, and he was behind in his payments due on the Cad; owed his folks money for his board and was financially "rebarassed". We didn't wait for

the Judge to pronounce sentence in the traffic mix-up. Both boys forgot that they were over 18 now, and had to assume their adult responsibilities.

Case of People vs. Thompson was called. Mr. Thompson plead "Not Guilty", and asked for a jury trial. The Judge set his bail at \$170, either cash or bond, and Thompson sat down and thought it over. Later the Judge cut the bail to \$100 and Thompson made out a check.

It costs the County \$200 for a jury trial, at no expense to the defendant. The \$100 is to insure the defendant's appearance, and get his bond money back.

Then Dennis Hinkley and his ma were called up. This lad was full grown, bigger than his mother. Turned out that he was 16, had been cited four times in six months for traffic violations, and was to appear in El Cajon Court later in the week on another charge. The Court ruled that since Sacramento automatically suspends a driver's license for two violations, it was time this lad turned in his temporarily. The boy's ma concurred. The Court told Dennis he could not drive a car for awhile.

Homar George Kneff paid \$53 for speeding on the Freeway. He dug up the dough, got a receipt from Delores Rogers, left smiling.

Another culprit with red hair put up a "checkie" for \$153. Chas. Edward Hall came in late, said he just got off work. hadn't had a driver's license for three years. Given three weeks to get a license and show it to the court.

Next culprit was fined \$36, which he paid.

"Paulette Field, a pretty blonde teen-ager with a pony tail hairdo, answered the call to the bar, accompanied by her father. First offense, and Judge Hussey was considerate. The couple walked out.

We gathered that the Freeway is being patrolled and violators given tickets. So watch your speed. —D.H.

GAVELIZED—Bewhiskered John Englestad, building contractor, 7122 Mt. Vernon Avenue, accepts the Jaycee gavel of office from immediate past president Tom Smith, Jr., 2227 Sweetwater Avenue, at ceremonial dinner held last week at Michael's.

A group of guests, as well as members commended Smith for the outstanding work he had done in behalf of the Lemon Grove Junior Chamber of Commerce during his term of office.

ROCKY FEVER CARRIER

A word of warning to you young hunters or hikers! Beware of the hitchhiking Wood Tick, for this little devil is a known carrier of the Rocky Mountain Spotted Fever. To discourage this menace from inviting himself a free ride on your shoes, socks or pants, sprinkle powdered sulphur in the cuffs of your pants and around the pants up to your belt level. Also in the top of your socks. Chiggers and red bugs will also be stopped!

FISH REEL TIP

A good way of filling your new fishing reel is to wind on your casting line first, then tie on the backing line, adding enough to fill. Now tie the end of the backing line to anything handy and walk out with the reel until the full line has been extended. Untie the good line, walk back to the starting point and reel in the backing first.

MAKESHIFT COMPASS

The easiest way to throw together a "do-it-yourself" compass for drawing circles on leather, canvas, paper, et cetera, can be easily devised in your camp. Forked twigs of various angles can be cut from bushes and with a pencil lashed to one side of the fork you have an accurate compass.

GRILL FIRE

Approximately two inches of pea-size gravel in the bottom of your portable grill will give you a much better fire. The pebbles permit a greater air circulation resulting in a hotter fire. The grill can be used a number of times before cleaning out the gravel and coals.

Outboard System

There's a new system that sucks water out of boats by using suction from your outboard motor... a survey shows that throwing back under-sized fish (especially trout) doesn't do them any good anyway, since 58 percent of them die just the same... Steeplechasing got its name because in ancient days horses ran over hedges and ditches toward a finish point, usually a church spire that could be spotted by riders.

Canoe Canvas

If the cane seat of your canoe has worn out, repair it with heavy canvas. Cut some canvas strips 2 1/4 inches wide and sew a 1/4 inch hem along the edge of each. Remove all the cane from the frame and install lengthwise first. Tack each end of the strips to the underside of the frame through a double fold of material, using copper tacks. Next, weave transverse strips through

Area Office Nails Down Half Of All Sheriff Promotions

Out of six promotions last month in the county Sheriff's office, three of them went to the area station at El Cajon.

Promoted were the following: From Sergeant to Lieutenant was Leland Ernest. From Criminal Investigators to Sergeants went Robert Ryan and Ernest Sable.

Lt. Ernest has been in the Sheriff's office since 1940; Sgt. Ryan since 1942 and Sgt. Sable since 1951.

Hiway Cops Wanted

The State Personnel Board's recent action raising starting salaries for State Traffic Officer from \$395 to \$436 a month is expected to attract more and better qualified candidates to the California Highway Patrol and accelerate recruitment of 300 new officers, according to John McKay, State recruitment chief.

Applications for the forthcoming State Traffic Officer examination are now being taken. Applicants must be United States citizens between the ages of 21 and 31, in sound physical condition, not less than five feet nine inches and not more than six feet six inches in height. Graduation from high school and California residence are also required.

Among other subjects, the competitive written test will cover aptitude for traffic law enforcement work, ability to learn rules and regulations, and ability to think clearly and logically.

The physical performance test will measure strength, agility, endurance and physical coordination.

these in a basket weave and tack in the same manner.

Camp Set

When setting up camp, avoid pitching your tent near or under tall trees. In case of a thunder storm you'll be safer from lightning, as it usually strikes the tallest object. If you're in a boat, get off the water as soon as possible, or if you're caught in the open field, fall flat on the ground.

Troop 369 Beats Out Blaze At Morena Camp

A possible catastrophe was averted last week by members of St. John of the Cross Church Boy Scout Troop 369 when the entire group turned to with shovels, blankets, knapsacks and tree limbs to beat out a grass blaze at Lake Morena.

The troop, under Scoutmaster Joe Kelly, 8938 La Mesa Blvd., sniffed the smell of smoke and it wasn't coming from the campfire they were getting ready for Saturday evening dinner. 400 yards from the camp the dried grass was blazing strongly and spreading.

The young men of the troop answered the clarion call to the fire-battle line. Two rushed to the caretaker's quarters at the lake, others cut branches from nearby trees with their scout axes and the rest attacked the blaze head-on.

After the blaze was contained, squads of the troop went on the water hauling detail. All containers in camp were pressed into use until the blaze was doused. These included frying pans, coffee pots as well as canteens. The group then turned the hot embers into the ground and began a five-hour-long patrol of the fire area. Three scouts stood 20 minutes watch until Scoutmaster proclaimed the blaze beat.

Troop 369 members who took part in the heroic activity included: Al Bolshazy, Waite Drive; Robert Wingo, Colfax Drive; Joe Kelly, Jr., La Mesa Blvd., and his brother John; Steve and John Rotsart, Central Avenue; Kent Athey, Vista Street; Jim Martin, San Miguel Ave.; Ronald Dyrham, La Mesa Blvd.; Walter Daniels, of Lemon Grove; Mike McCrae, Mt. Vernon St.; Martin Fitzurka, Rogers Road, Spring Valley; Larry Hall, Noble Street, and Leonard Taylor, Central Avenue.

Several guests also took part in putting out the blaze. They were Jerry and Pancho Wingo of Colfax Drive and Mrs. Fitzurka and Mrs. Kelly.

The lake's caretakers said that the entire area might have gone up in smoke had it not been for the prompt action and bravery of the troop.

Petite Shop To Move

Rose and Arthur Glickman, operators of the Petite Shop, 7810 Broadway are moving their retail store to the other side of Broadway, the couple announced last week.

A new building has been leased at 7941 Broadway which is near the post office and the couple said they expected to be ready for business in the new location by August 1. Meanwhile, a stock reduction sale is being held at the present location to avoid having so much merchandise to move, they said.

The Glickmans bought the Petite Shop in August 1952 and gross sales, they said, have steadily increased. This, and the need for customer parking, which they will have in the rear of the new location, contributed to the decision to move.

The new shop, as does the old, will feature nationally prominent lines of boys, girls and infants merchandise. The new shop will feature two front doors, one opening onto the customer parking strip on the Golden Avenue side. Customers will also be able to use this thoughtful arrangement for getting to other nearby addresses that do not afford park-and-walk-through privileges, such as to the post office.

DREPS DROPS IN ON HERTELS

Hilbert Dreps, his wife, Frances and their daughters, Bonnie and Betty, all of Sheboygan, Wisconsin, except Betty who lives in Sacramento, are all visiting the George Hertel family at 8437 Golden Avenue.

The Dreps family will leave Lemon Grove for their own home Sunday.

Record Crowd Seen For Rodeo

(Continued)

Champion; Dick Doyle, 1956 Bull Dogging Champ; Red Trui, 1957 Calf Roping Champ; and Walt Edis, 1957 Team Rodeo Champion member. There will be many competitors trying to knock the crown away on the heads of these top performers.

Byron and Gary Gist, a father son team from Spring Valley will be one of the starring events. Trick riders Skippy Bernard of Paramount; Wilma Standard, Hollywood and Beverly Cannon, Little Rock will all show their wares.

CLOWNS, TOO

Kenny Sexton and Alex Barron, famed rodeo clowns will provide a special program for the youngsters. There will be many events for kiddies. Members of St. John of the Cross Church are preparing a giant barbecue which, with a score of game-of-skill booths are expected to attract several thousand participants in addition to those who will watch the parade and rodeo.

The Parade and Rodeo this year is a joint venture of the Lemon Grove Chamber of Commerce and the L. G. Junior Chamber. Proceeds from the rodeo will go into community projects.

Tickets for the rodeo may be purchased in advance at a 25c per ticket discount. These are available at the office of the REVIEW, the C. of C. office in the Grove Theatre Building, and at the Highlander Shop on Broadway.

Dr. Simon Brumbaugh volunteered first aid services for the rodeo Sunday. Dr. John Schletzel and Dr. Basil Mahoney will handle the detail Saturday.

110 YEARS OF WATER WORKING

R. M. Levy, Helix board president, pins a 10-year service pin on Mrs. Margaret Penry, district secretary, center. Others who were presented with awards are: (left to right) W. H. Jennings, Mrs. Alvina White, C. T. Schenk and Salvador M. Contreras.

In recognition of 110 years of service in helping to serve this area with water, eight members of the Helix Irrigation District staff were honored recently by being awarded service pins.

The new pin, recently adopted by the board of directors, was presented by Board Chairman R. M. Levy to one for 30 years of continuous service, one for 20 years and six for 10 years each.

Those honored were: Salvador M. "Shorty" Contreras of 424 Claydelle St., El Cajon, 30 years; William H. Jennings, Tia Diego Way, La Mesa, 20 years; Mrs. Alvina White, 9414 La Mar; Spring Valley; L. L. Flor, 1038 Leslie Rd., El Cajon; R. G. Howell, 4542 - 68th St.; Rolando L. F. Reifenberg, 4621 Pomona Ave., La Mesa; C. T. Schenk, 253 E. Minnesota Ave., El Cajon; Mrs. Margaret Penry, 8032 Vista Dr., La Mesa, each 10 years. Contreras is a pipeline installer for the district.

Jennings is the legal counsel for the district and is recognized as one of the outstanding water attorneys in the State of California. He is also legal attorney for the County Water Authority and recently participated in three leading state committees. One was the Governor's Water Law-continuous service, one for 20 years and six for 10 years each.

Another was the Attorney General's State-wide Water Lawyers Committee studying the same problem. Jennings was also chairman of the California Irrigation Districts Association Committee on the State Water Plan.

The 10-year pin recipients included Mrs. Penry, secretary of the district and its board; Mrs. White, addressograph operator; Flor, chief chemist; Howell equipment foreman; Reifenberg, car-penter and Schenk, welder.

Resolution Declaring Intention to Lease Real Property Belonging to the Grossmont Union High School District and Notice Inviting Bids to Lease Same.

WHEREAS, the Grossmont Union High School District, San Diego County, California, is now the owner of the following described real property, to-wit: That portion of Lot 1 of the RANCHO MISSION of San Diego, in the County of San Diego, State of California, according to Partition Map thereof on file in the office of the County Clerk of San Diego County, and as shown and delineated on Record of Survey Map No. 4141, filed in the office of the County Recorder of said County on January 9, 1957, described as follows:

Beginning at the Northeast corner of Lot 30 of the Highland Manor Unit No. 1, according to Map thereof No. 3360, filed in the office of the County Recorder of said County January 28, 1956, thence along a northerly prolongation of the easterly line of said Lot 30, North 12° 48' 00" West 53.25 feet to the Southerly line of the land described in said Map No. 3360, thence South 89° 28' 36" East 65.25 feet; thence along the boundary of said City and as follows: North 25° 17' 33" East 25.33 feet to a tangent 45.00 feet to the beginning of a tangent 45.00 feet radius curve concave Southerly; thence Easterly along said curve through a central angle of 94° 51' 45" a distance of 74.50 feet to a line which bears North 1° 17' 44" West from the TRUE POINT OF BEGINNING; thence South 1° 17' 44" East 43.33 feet to the TRUE POINT OF BEGINNING.

WHEREAS, the above described property is not and will not at the time of delivery of possession be used for classroom buildings by said District, NOW THEREFORE, BE IT RESOLVED that it is in the judgment of this board for the best interest of said District that said property be leased, and said Board hereby declares its intention to lease the same to the highest responsible bidder, subject to the following terms and conditions:

This lease shall be for a term commencing September 1, 1957, and terminating on September 1, 1962. The rental price shall be payable on the 1st of September of each year.

Lessee shall not sublet all or any part of said premises without the consent in writing of Lessor of said real property shall be made by Lessee without first obtaining the written approval from the Governing Board of the said School District for said use or change of use of said real property. Any request for said approval shall be accompanied by the Lessee's definite plans for the proposed use or change of use of said real property.

IN WITNESS OF the passage of the foregoing resolution and order in the manner prescribed by law, we, the voting members, have hereunto set our hands, this 8th day of July, 1957.

Smogless San Diego May Hire Smog Experts

The Supervisors received a note from C. A. O. Hegland recommending that the Air Pollution Control Board of the County of San Diego Air Pollution Control District, subject to approval of the final budget, establish the positions of Air Pollution Engineer Consultant and Air Pollution Meteorological Consultant as District employees. Establish compensation for the Engineer Consultant at \$75 a day and for the Meteorological Consultant at \$25 a day; and authorize the Air Pollution Control officer to appoint such engineering and meteorological consultants as are necessary, not exceeding the expenditure of \$4,000 for such services for the 1957-58 fiscal year.

This smells like SMOG. Can it be that San Diego is gonna have that throat and eye irritant as part of our penalty for living? Only a few months ago San Diego Realstaters were bragging, saying we have no smog in San Diego.

Los Angeles has been battling the menace for several years, without appreciable results, so we hear.

We didn't think San Diego would ever have smog. "The breeze from the ocean every afternoon carries the smog away". Besides, we have no refineries.

The Board made no comment, but will make a "study". —DH

ALLEN'S KIN RETURN TO FLORIDA

Square Dance News

LARIATS

A new class of square dancers is being sponsored by the Lariats at the La Mesa Junior High School each Wednesday starting August 7 for three weeks. Admission is free first night.

Election night party was quite a shindig with guests coming from Cactus Kickers, Diamond Horseshoe and Hoof and Goofers clubs.

New officers are: Larry Mangula, president; Clark Hewitt, vice president; Bob Johnston, treasurer; Frances Claypool secretary; Mary and Earl Keyes, Jo Ann and Roy Long Heartland representatives.

PROMENADERS

Short workshops for all who are interested will be featured by the Promenaders Dance Club on July 10 and 17, at the Spring Valley Chamber of Commerce Hall, 9050 Memory Lane.

There will be a Fiesta Party on July 24. The club had a "bang-up" Hawaiian party with leis, punch and hula skirts last week.

SQUARE EIGHTERS

The club is keeping up with the coming events by holding a Fiesta Del Square Eighters July 24. Fiesta finery or square dance togs are acceptable but be there for the fun and always good dancing by our club callers Pete and Helen Mighetto at La Mesa Legion Hall.

H. Park Arnold, Glendale lumberman and manufacturer, has been named President of Kiwanis International. He was elected to the number-one Kiwanis post Wednesday by delegates attending the 42nd annual convention of Kiwanis International in Atlantic City, New Jersey. Arnold's election was announced by Dr. Simon Brumbaugh, president of the Lemon Grove Kiwanis Club this week.

As head of Kiwanis International, Arnold will be official spokesman for a quarter million Kiwanians in 4,350 clubs, located throughout the United States, Canada, Alaska and the Hawaiian Islands. He succeeds Mr. Reed C. Culp, Salt Lake City, Utah, businessman. Culp has held the Kiwanis post since August of 1956.

Mrs. Jane Hinck Succumbs At 88

Services were held in La Mesa last week for Mrs. Jane Hinck, 88, 8797 Mariposa Drive, a pioneer resident of Spring Valley-La Mesa. She passed away in an El Cajon rest home on July 2.

Rev. John T. Barbour of the La Mesa Congregational Church officiated. Burial was at Glen Abbey, Chula Vista.

Mrs. Hinck, who was born in England, July 9, 1868, came to Spring Valley in 1893. It was here she met and married Charles Hinck in 1895. Mr. Hinck passed away several years ago.

A charter member of the La Mesa Congregational Church, Mrs. Hinck sang in its choir for 25 years.

Survivors are: four sons, Austin D. Hinck of La Mesa; Adolph and Fritz Hinck of Spring Valley; and W. George Hinck of Ramona. There are 7 grandchildren and several great-grandchildren.

Alloways Join Humane Society's Staff

The Kenneth Alloways, long experienced in the care of animals, are joining the staff at the San Diego County Humane Society's Shelter at 887 Sherman Street, this month. Dr. A. P. Imenschuh, society president, announced today.

Kenneth, formerly with the San Diego zoo staff, checked in for duty last Tuesday as a combination truck driver and kennel man.

Mrs. Alloway, who for the past several years, has operated the zoo's nursery, will take over management of the new sub station of the society, soon to be opened, it was announced.

Scores, Standing Given In VLM LL Play

A family picnic for everyone participating in the Vista La Mesa Little League is set for Sunday at Lindo Lake Park by the Women's Auxiliary. Committees have been appointed to plan entertainment and to purchase baseball equipment for a raffle.

The improvement committee reported they had appeared before the Board of Supervisors requesting facilities and more fencing. These will soon be forthcoming for Lester Field.

The awards banquet for fathers, sons and all male league officials was set for the first week in August.

Connie Koenekamp, official scorer, announced the final standings in the first half of season

Home Federal To Build Area Office

Construction of a new Home Federal Savings and Loan Co. office building in El Cajon has been announced by Charles K. Fletcher, president of the financial institution.

Construction of the new building will begin within 60 days at the southwest corner of Magnolia and Douglas Avenues, next to the El Cajon post office. Completion is anticipated by the first of the year.

The new office is the fourth to be established since the firm was founded in 1934; the third in the past three years.

Mrs. Carlton Named To LG C. of C.

Mrs. Tom (Connie) Carlton, owner of the Lemon Grove Health-Ful Foods store, at 7894 Broadway, was elected to the board of directors of the Lemon Grove Chamber of Commerce, at the June meeting. She is the only woman on the board.

A resident of Spring Valley for several years, Mrs. Carlton, her husband and daughter live at 8860 La Mar Street, at the Corner of Central.

PAGEANT TO FEATURE LIVE MUSIC BACKGROUND

The afternoon of Sunday, July 21 promises to be an eventful one for the residents of Spring Valley. That will be the day when the Spring Valley pageant will be presented on the grounds of the Chamber of Commerce, at 9050 Memory Lane, starting at 1 p.m.

Immediately following the pageant, there will be music by a 34 piece concert band, directed by Spring Valley's own Richard (Dick) Braun, of South Bonita Street.

This music is provided by the joint sponsorship of the City-County Music Commission and the Trust Fund of the Recording Industry, and obtained by the cooperation of Local 325 of the American Federation of Musicians.

This group has played in many communities around the county.

Rehearsals for the Spring Valley pageant are well under way, as a request by the Fleeta Del Pacifico committee some time ago. Mrs. Betty Seymour Robin-

TEEN TROUBLES

By BOB TURNBULL
(Second in a series)

Like . . . Man, some prejudiced adults just aren't with it! Even at this moment there are some nasty whispers floating loosely through offices and backyard hen parties that, and dig this, teenagers express themselves too much! Meaning, of course, that the young cats 'n chicks that are between 12 and 20 (or thereabouts) are "overextending their privilege to criticize adults and/or teachers," too much.

Too much idiotic rationalization for my American blood! To those people who think in those terms I say the following . . .

Unless a youth's opinion is stated in error due to poor syntax, then I can see a slight curtailing of the oral flow of his mind. But other than that, uh-uh! The adults, or shall we say older people, who feel that a teenagers' expressive opinion should be kept quiet, certainly have a distorted idea of America's democracy! I don't want to start unnecessarily waving the flag, but please don't forget that

the United States Constitution was formulated and written, and even fought for, so that the people of this nation, regardless of their age, would have religious freedom and the "freedom of speech." This precious document wasn't designated to be specifically written for young people 21 years of age or older!

High school and college students have been taught in their homes as well as their classrooms to say what they think is right! Because a teenager gives a critical point of view about an adult certainly doesn't show "disrespect." In many instances, it would be good for an adult to hear a teenagers' point of view, whether it puts them on a pedestal or jams them in a gutter! If a young guy or gal's opinion

is censored then it no longer is a true opinion, but one that would give false impressions. In fact I can't even think of one good reason why teenagers should refrain from criticizing an adult or their teachers! The general idea, alone, of keeping quiet is silly from the start. Sounding off is good for the mind and if what you say or how you say it is stupid then you put yourself to shame, no one else!

So, "older people" cool-it, and

teenagers remember this: as future adults you will have to be able to criticize and evaluate yourselves and your fellow workers in order to keep this world's head above water. I feel safe in saying that it is the lack of expression that many nations become restless and don't understand each other. Restlessness, at worst, leads to war—short of war it leads to tranquilizers. Let's yak, Rock 'n Roll, and be normal!

Committee To Sit On Avocados

A legislative hearing, on avocado problems to be conducted by the Joint Agricultural Committee, will be held in Vista at the high school July 18 at 10 a.m.

One of the major problems will be the control of the Mexican fruit fly which is presently invading Southern California. If the invasion is successful, according to Sheridan Hegland, district assemblyman, millions of dollars worth of produce, including avocados, would possibly face quarantine. The County Agricultural Department is working to repel the invasion and the Committee will hear a report on this work.

The Mexican fruit fly has a flight range of 150 miles. It lives, as an adult, about a year. San Diego County climate is ideally suited for it.

Some of these flies have been captured within the last ten days near the border and there are, possibly, hundreds more which have not been captured.

Other subjects scheduled for discussion include the possibility of securing studies to determine the effect of various fertilizers, drainage, quantity of water and quality of water, on avocados.

Planning Commission OK's Casa d' Oro Rezoning

The San Diego County Planning Commission has adopted a plan for rezoning several parts of Casa d' Oro.

The Casa d' Oro Civic Association requested that a study be made of the area about nine months ago. Their purpose for the request was primarily that the Association wanted to build a civic building on Granada Street.

The Planning Commission answered the request and a June 28 hearing and plan was the final step toward clearing up a few technicalities (such as easements and street widening) before being presented to the County Board of Supervisors.

Here are the zoning changes, according to Gilbert Ray of Casa d' Oro, a member of the Planning Commission:

San Juan Street north approximately to Sierra Madre, between Conrad Drive and North Bonita, zoned from an "R-1" to an "R-3";

Between San Juan and the present "C-2" zone on Campo Road, changed to a "C";

Between Dolores Street to the present "C-2" property facing Campo Road, will be recommended to a "C";

Portion of Kenora Drive to be recommended for an "R-4" zone;

Also South Bonita from Dolores south to Dale and Buena Vista, recommended for an "R-3" zone;

Finally, the east side of North Bonita from San Juan, half way to Sierra Madre, to be recommended as an "R-2-A".

WASHINGTON SUMMARY

by ED KOTERBA

Johnson Going Big. The thin, lanky Texan who recently has been "dressed" fit to kill—Sen. Lyndon Johnson, Senate majority leader—acts as if he may try seriously for the 1960 Democratic presidential nomination.

The biggest bi-partisan feather in his hat: President Eisenhower phoned him personally to compliment Johnson on his skill in maneuvering Ike's full foreign aid request through the Senate. Johnson, suffering for five months with a cold, now appears in the best of health.

Rayburn 'Digs' Ike. While the President was slapping Sen. Johnson on the back, Sam Rayburn of Texas, head man on the House side for the Democrats, startled newsmen when he said:

"President Eisenhower is a good man." But then Sam said: "Well, he WAS until he changed from Democrat to Republican at the age of 60."

Rayburn didn't hear one reporter ask: "DID he change?"

Mamie's Health. For years, Mamie Eisenhower has been slipping into Walter Reed Hospital periodically (about every three months) for a complete physical checkup. Her health is okay now, intimates say, but news of her last visit leaked out to the press, and some doubts arose.

Friends say that Mamie is "the loneliest woman in Washington."

Agriculture Notes. To study the habits of bees, the Agriculture Department has set out artificial flowers with built-in wells of syrup in the barren areas of Arizona.

Good news for alfalfa growers... Damage by the spotted alfalfa aphid promises to be far less this year than for many previous years.

PREDICTIONS: Exposures. Look for some dramatic exposures against management in upcoming Senate Rackets Committee hearings.

Supreme Court. Thunderous

Miscellany. To date, nearly 3,500 missiles have been sent aloft by our military.

Farm real estate has increased 15 per cent in value in the past four years... Total worth today: \$109,500,000,000.

Keep Them Occupied. "Simple games will keep small children amused while touring." Such, for example, as seeing which one can scream the loudest.—The State, Columbia, S.C.

Fire Chief Nabs Junior 'Fire Bug'

A ten year old Spring Valley boy was nabbed as a junior "fire bug" after Spring Valley fire chief Don Clark saw "staked out" the neighborhood where nine grass fires had occurred within a few days.

According to a report by Lt. Ernie Sable of the Sheriff's Department, Chief Clark saw the boy stoop within the area under surveillance and immediately afterward a fire started. The boy told him (Chief Clark) later that he was looking for a burning candle.

During the course of the interrogation, the boy intermittently admitted and denied setting the fires. Finally he acknowledged responsibility for seven of them. He was linked to one fire by a neighbor.

The youngster said that on several occasions he got up early in the morning, sneaked out of the house before his parents were up, set a fire, and then ran back into his bedroom to wait for the fire engine.

Grading Starts On Euclid Shopping Area

A half-million dollars worth of heavy grading equipment was being moved into the proposed shopping center at Federal Blvd. and Euclid Avenue according to Charles Kerch, suburban property development agent for the Curtis Coleman Co.

He said leases have already been signed for much of the available space. One of the leases is for a department store spread over a 60,000 square foot floor space, he said.

Foothills Fiesta Proceeds To Buy Respirator

Gaily decorated booths, presided over by Fiesta-garbed Grossmont Hospital auxiliary members will offer a variety of food, drink and merchandise Friday at the El Nader Club starting at 2 p.m. when the Foothills Fiesta gets under way.

Proceeds from the event will be used to buy a chest respirator for the hospital. An entrance donation of 25¢ will cover many free attractions according to Mrs. Jens Hutchers, auxiliary president. Special guests will be Mr. and Mrs. Monte Hall, he of television fame. Strolling music will add to the festivities.

Area chairmen include Mrs. W. K. Phillips of Lemon Grove and Mrs. N. T. Henkel of Spring Valley.

Dry Year To Hit HID Before Aqueduct Spouts Water

The largest bond issue in the history of San Diego County earmarked 35 million dollars to build a second aqueduct at a special election Tuesday.

The voting gave a 13 to 1 majority to build the second aqueduct at the election which only required a 2 to 1 majority. Building the aqueduct is expected to assure the area an adequate water supply for the next fifteen years.

Harry Griffen, Helix Irrigation District board member representing this area said that the building of the aqueduct will assure the district of all the water wants but gave the sobering warning that this is two years away. He said that voluntary rationing is definitely in the cards for next year starting in May unless unprecedented rainfall occurs next winter. He said the board may decide to enlarge the district in 1959 and that a feasibility study regarding annexation of all or part of the 54,000 acre Otay Water District would be started within a few months.

Returns from 447 precincts out of 500 gave a total vote of only 87,389, with 81,187 favoring the bonds issue. The light vote was attributed to lack of opposition and difficulty that many experienced in finding their polling places. The usual 1,500 polling

places in the area had been reduced to 500 to save an estimated \$50,000 of water district money. Rural areas which have suffered the most from water shortages reported the largest proportionate vote.

San Diego County Water Authority officials said that the new line may be placed under contract late this year, with completion slated for 1959 or 1960. The new line is intended to bring upward of 160 million gallons daily of Colorado River Water and it can also be used to carry Feather River water when the northern supply becomes available.

Byron Miller, HID general manager said the new line would increase water supply 25% in this district.

Money voted Tuesday will pay for a 6.1 mile line running from a point 5.9 miles south of the county's northern boundary to the lower Otay reservoir in the southern part of the county. The remainder of the aqueduct, a 43.5 mile line, will connect the CWA portion with the Colorado River aqueduct at San Jacinto. This portion will be a 20-million dollar project of the Metropolitan Water District, of which the CWA is a member.

Official canvass of returns from the election will be started by CWA directors next Tuesday.

Grossmont Trustees Back Down

(Continued)

Smith put down the uprising by announcing that he was the "culprit" for suggesting F & W without adequate prior discussion with the trustees.

Meeting will be re-opened on choice of architects Wednesday at 8 p.m. after Svalstad had made his study.

In other action the trustees voted to keep 225 teachers on the campus an hour extra each day so that they will be on duty as late as the district's 29 coaches.

Decision came after a teachers' work load equalization group had asked for a fairer distribution of the workload. Coaches Association had asked for extended day's pay.

The board requested Smith to attempt to work out a combined election date, preferably October 15, for bond issues coming up in several elementary districts and the high school district. Lemon Grove, will put an estimated \$150,000 issue on the ballot to building San Altos. Grossmont will ask for \$2 million on local bonds and \$2½ million state loan.

Passage of the Second San Diego County Aqueduct will insure the county of adequate supplies of water until 1972, according to best estimates.

W. B. Paul Gets U. S. National Nod

William B. Paul, who has been assistant manager of the U. S. National Bank in Lemon Grove for the past two years has been advanced to the position of manager.

C. A. Smith, Jr., whom Paul replaced, has been advanced to a new position as member of the Branch Supervision Department at the bank's administrative headquarters in San Diego.

Paul started with the U. S. National in 1949, working his way up through the system to his present position. He is a member of the Lemon Grove Kiwanis Club.

Smith served as branch manager in Lemon Grove since the office opened in June 1955. He has also worked at the bank's branch offices at Pacific Beach, Monrovia, Arcadia, El Monte and San Diego and was for a time with Valley National Bank in Phoenix.

Filling Paul's former position as assistant manager is Chester E. Mercier. He was formerly in the Controller's Department of the bank's headquarters in San Diego.

Halcomb Gets Briar Patch Call

James Halcomb, who has been teaching at the Bancroft Elementary School, was appointed principal of the new Briar Patch School, at the June 24 meeting of the La Mesa-Spring Valley School District Board of Trustees. He will assume his new position in September.

The new Briar Patch principal was born in Kansas City, Missouri, in February, 1930. He attended elementary schools in Missouri, Texas and Kansas. Following that he graduated from the State Teacher's College at Emporia, Kansas.

"Jim" Halcomb spent 2 years in the U.S. Air Force, most of his service being on the island of Guam.

The University of Colorado was where the new principal did his graduation work. He taught school in Guede Springs, Kansas; Arkansas City, Kansas; Wichita, Kansas; and the La Mesa-Spring Valley School District.

At present he is attending San Diego State College to obtain his Master's degree. He and his wife Peggy (who is currently a teacher in the San Diego School District) live at 3224 South Bonita Street, Casa de Oro.

Baptist Sunday School Teachers To Have Fry-Out

The Sunday School teachers at the First Baptist Church of Lemon Grove and their families will meet in the patio of Mr. and Mrs. L. O. Plummer, 2771 Dennis Lane this Thursday evening at six-thirty for a hamburger fry. Following the supper they will begin a study of the book "The Using Its Sunday School." They will complete this book in similar meetings for the remainder of July. Gilbert Jordan, Educational Director and Sunday School Superintendent points out that this study course will cause the Sunday School to be standard which is an accomplishment that very few of the Southern Baptist Churches in the State of California are proud to boast about.

Grove Flier Completes 'Powder Puff' Derby

Mrs. Darline "Dottie" Sanders, 1526 Koe Street, Lemon Grove, completed the Powder Puff Derby by cross-country flight at 8:35 a. m. Monday. She flew as a team with Mrs. Aileen Saunders of La Mesa.

The pair flew a single engine Beechcraft Bonanza known as "City of the Sun."

Winners will be announced Thursday, July 11 after handicaps are figured.

Foster Heads High School Board Again

C. H. Foster has been reelected chairman of the Grossmont High School District board.

The board agreed to petition the county superintendent of schools to reappoint Lester Freeman as board clerk. Trustees could not reelect him because they failed to meet July 1 as specified in the state Education Code.

FIRST FEDERAL CLAIMS ANOTHER 'FIRST'

Harold B. Starkey, president of the First Federal Savings and Loan said this week that his institution had registered another "first."

He said that earnings paid to the association's investors would be more than a half million dollars for the first six months and an even larger distribution is anticipated for the end of the year because of the increase in rate to 4% per annum compounded and payable four times a year from July 1st, and the steady growth of the institution.

Starkey said that gifts are also being offered to new or increased savings accounts.

lord probably would cut a small but neat profit.

Here, as in the parking district makeup, the area need only along the business street. Residential property would not be included nor taxed in the district.

Many property owners as well as many tenants want these services. Presumably the forming of a service district awaits only a person with initiative and energy to carry the petition.

The Grossmont Hospital District, by its own admission the biggest and best hospital district hereabouts, is looking at its budget a little closer than it did when it sponsored the recent bond election by which another wing may be built.

According to Marvin Jackson, hospital board chairman through the district's comptroller Claude Dooley, there is going to be a \$19,000 greater outgo than income for the next budget year. This is a strange admission to emanate from the tight-knit group which operates the sprawling district. Ever since the district was formed, the word was "in-the-black." Operational loss, that of the financial nature particularly, until now has never been allowed to crystallize to the point of becoming a public admission.

Few things, in the way of admissions, come from Grossmont Hospital brass. Once, when we charged that a fat percentage of births at Grossmont were of San Diego origin, the hospital sent me a chart which showed part of San Diego postal district to be in the hospital district. Hospital reaction was strong enough to cause the postal zone to be added to other vital statistics. Youngsters are now listed by parents, address, sex, weight and length and postal zone at Grossmont.

We carped once about the unfairness of district taxpayers being charged the same as non-district users in this tax-supported edifice which legally and morally is a monument to all good doctors in the district and out, depending on the patients' choice. The hospital solved that one by upping the rate of non-district users by \$2 a day and then announcing they were saving district users that amount. I still have the uneasy feeling that district users are not being saved anything because the added bookkeeping cost of separating district users from non-district users probably uses up a great portion of the \$2 a day extra it costs the "foreigners."

We often complain that hospital district bid methods are too lax. The law was recently changed with the help of our assemblyman but they left a loophole big enough to pull another wing through. Hospital districts may legally call for bids among a "selected" list of contractors. Most good contractors may not even make a bid on the new 100-plus bed, \$2 million wing. We aim to get that part of the law changed too, even if it takes another three years.

However my attention today is held only by the district's budget report. Of the 10c for each \$100 assessed valuation of property within the district 4.2 cents is for operating expenses. Admission by the district that it will operate in the red has a foreboding overtone.

I am certain that Louis Peelyon, who is a good hospital administrator, will be able to allay my suspicions that an increase in district taxes is lurking in the aseptic corridors of Grossmont Hospital.
